Reply of Government.—N[illegible] The name o[illegible] wher[illegible] however a matter in which the people should bestir themselves and do what they can before seeking Government aid.

Subject No. 180
Contents of the English and Kanarese portions of the Gazette to be indentical.

Summary of discussion.—All matters contained in the English portion of the *Mysore Gazette* should also appear in the Kanarese portion thereof.

Reply of Government.—This will be enquired into and needful instructions given.

Subject No. 181
Compulsory Vaccination.

Summary of discussion.—It is desirable to frame rules for the compulsory Vaccination of children.

Reply of Government.—Noted.

Subject No. 182
(a) Dasara holidays.

Summary of discussion.—(*a*) The Dasara holidays may be extended to fifteen days, so as to permit of officials attending Mysore going back to their stations after the close of the festivities.

(b) Public holidays.

Summary of discussion.—(*b*) The recent orders of Government curtailing the number of Hindu holidays especially the Dasara holidays are felt as a hardship and should therefore be reconsidered.

Reply of Government.—(*a*) & (*b*) This will be reconsidered.

Subject No. 183
Revision of Judicial, Educational and Engineering Establishments.

Summary of discussion.—The Judicial, Maramat, Engineering and Educational establishments may be revised in the same way as the Taluk and District establishments which were recently revised.

Reply of Government.—Noted.

Subject No. 184
Judges of Chief Court to go out on tour of inspection.

Summary of discussion.—It would be conducive to the better administration of Civil and Criminal justice throughout the State, if the three Judges of the Chief Court were required to undertake annual tours of inspection by turns.

Reply of Government.—Noted.

Subject No. 185
Dowan and Councillors to go on Tour of Inspection.

Summary of discussion.—Tours by the Dewan and Councillors are likewise desirable.

Mr. C. Srinivasa Rao prayed for more frequent tours by the Dewan.

Reply of Government.—Noted.

Subject No. 186
Introduction of a uniform system of measures.

Summary of discussion.—The present measures used for measuring grains, &c., are not uniform and therefore give room for fraud. They should be replaced by cast-metal measures as has been done in the Excise Department.

Reply of Government.—The subject is under consideration.

Subject No. 187
Purchase by Government of rice and ragi grown in Mysore and sale of the same in famine times to people.

Summary of discussion.—Food grains may be purchased by Government in seasons of plentiful harvest and kept in store at such central places as Mysore so as to become available for sale to the public at reasonable rates in times of drought and famine.

Reply of Government.—Not practicable.

Subject No. 188

(a) Accommodation for Dasara Representatives at Mysore.

Summary of discussion.—*(a)* Suitable orders may be passed regarding the removal of the inconvenience much felt by members of the Representative Assembly who seek accommodation for themselves in the Nanjaraja Bahadur Chattram and other similar buildings. The occupation thereof by other than *bonâ fide* travellers should be prohibited.

Reply of Government.—This will be enquired into and the needful will be done.

(b) Deputy Commissioners to furnish references asked for by Representative Members.

Summary of discussion.—*(b)* Deputy Commissioners may be ordered to furnish the members of the Representative Assembly with such references as they may apply for.

Reply of Government.—Noted.

Subject No. 189

Shanbhogs and Patels to be permitted to appear for Local Service Examinations.

Summary of discussion.—Shanbhogs and patels may be permitted to appear for the Mysore Local Service Examinations in the same way as officials of the municipal and other Departments.

Reply of Government.—Noted.

Subject No. 190

(a) Formation of an Industrial Association.

Summary of discussion.—*(a)* An Association of gentlemen likely to interest themselves in the promotion of Arts and Industries, should now be formed and placed in possession of one-fifth of the surplus revenue of the State for developing new Industries. Until this is done the very necessaries of life will have to be imported into the country, the people becoming poorer day by day.

(b) Establishment of a Paper Mill in Mysore.

Summary of discussion.—*(b)* A Paper Mill in Mysore is desirable, since a very large amount of money goes out of the country for the purchase of Court papers and other papers for the use of the Government and of the public.

(c) Establishment of a Spinning and Weaving Mill at Mysore.

Summary of discussion.—*(c)* The establishment of a Mill in Mysore for spinning and weaving ordinary cloth to meet the demand of the masses is highly necessary for a City like Mysore. Directive energy of the Government is needed in this respect.

Reply of Government.—*(a)*, *(b)* & *(c)* Government will gladly help Industries, but cannot take the initiative themselves and spend public money when people do not come forward to invest any capital.

Subject No. 191

Introduction of a fine breed of sheep.

Summary of discussion.—Sheep of special breed, which produce valuable wool, may be brought by Government in large numbers from different countries and sold to Representative Members and others owning large tracts of land.

Reply of Government.—Government is doing what is possible.
